ES Functional Skills Maths

Functional Skills courses are free for individuals who have lived in the UK / EEA for a minimum of 3 years and do not already have a GCSE grade A-C or equivalent.

Course aim

To develop your confidence and skills with Maths and gain a City & Guilds certificate at the level appropriate to your learning.

Course Outcomes

a) Understand and apply Maths in everyday situations.
b) Recognise how to use a variety of methods to improve maths skills.
c) Prepare for a Functional Skills qualification in Maths at the appropriate level.

How will the course be taught?

The course will be taught with lots of practical elements including group, pair and individual work.

If this is an online course, please check the email confirmation for the link to join your Google Classroom.This information is also on 'My Account' when you are logged in to the Adult Learning website. Find 'How to use Google Classroom' at https://getgoing.nccadultlearning.ac.uk/it-tips/google-classroom

Could I gain a certificate?

Yes, you will work towards gaining a City and Guilds qualification at the level appropriate to your learning.

What do I need to bring / have ready?

You may wish to have your own pen, notepad, ruler and calculator ready, but resources are provided in Google Classroom.

If this is an online course, a laptop, PC or tablet and a stable internet connection will be needed.

Health and Safety / Online Safety

When you enrol, please let us know if you require additional personal support to participate in this course. Your tutor will give you information about Health and Safety on the first day. For information on how to keep safe online go to https://safety.lovetoknow.com/Internet_Safety_Adult and https://takefive-stopfraud.org.uk/nationalawarenesscampaign. To report suspected scams, or get help and advice about preventing scams call the Citizens Advice consumer helpline on 03454 04 05 06.

Further support and progression

We offer learning support, if required. You will also find out about further learning opportunities and careers advice and guidance as appropriate through this course.

Please let us know if there is anything we can do to help and support you on this course, or if you need help to understand our fees or concessions. You will find out about further learning opportunities and progression information during this course. Further information can also be found here: www.northamptonshire.gov.uk/course-info
