Neighbourhood Learning

These free courses are based in local neighbourhoods in order for local people to have a go at learning something new at a venue close to where they live. The courses give learners the opportunity to make new friends, develop new skills and find out what other learning opportunities are available. The classes are taught by experienced tutors and most importantly learning will be fun.

Course aim

You will find out how to develop your own self-confidence through using arts and crafts. No previous knowledge or experience is required and all materials are supplied.

Course Outcomes

- a) Learn and practice a new craft based skill
- b) Understand how colour affects your design choice
- c) Know what learning opportunities are available in your community

How will the course be taught?

Classroom sessions and independent learning.

What do I need to bring / have ready?

A pen and notebook may be useful if you would like to make notes. You should bring reading glasses if you require them as there will be some paperwork to complete.

Further support and progression

If you need help whilst on a course with us, our Learner Support Advisor is available to discuss your needs. We offer a range of services, subject to eligibility, which can include practical support and/or financial assistance to ensure you feel fully supported while learning with us. For more information contact alsreferrals@northnorthants.gov.uk or call 01604 368023 (answerphone available). Visit our website www.northamptonshire.gov.uk/course-info for further information about our fees and concessions. Your tutor will inform you of further learning opportunities and progression during your course.

Health and Safety / Online Safety
