Start Time: 10:00AM
End Time: 12:00PM
Day: Wednesday
Sessions: 9
Tutor: Miss Ibolya Novak

ZZ99 9ZZ **Room** Google Classroom

Multiply

Multiply is a 3 year programme funded through the Department for Education aimed at supporting adults to increase their skills in numeracy. Those who improve their numeracy skills are more likely to be in employment, have higher wages and better wellbeing.

Our free numeracy courses are for individuals:

- resident in North and West Northamptonshire, aged 19 and over
- that have not achieved a maths GCSE of at least a Grade C or equivalent
- who may want to develop numeracy skills for work or progression
- that want to brush up and develop their numeracy skills for everyday life.

Course aim

The purpose of this course is to develop your knowledge and understanding of Mathematical concepts and prepare you for your next step towards enrolling on a Functional Skills course working at the Entry Levels. You will continue to develop the language needed to be able to successfully access the Maths Functional Skills curriculum whilst also beginning to develop your knowledge of skills in Maths areas such as: place value, addition, subtraction, division and multiplication, fractions, decimals, measures, shapes and data handling.

Course outcomes

To develop knowledge of and apply efficient written methods for each of the four operations.
To understand and use fractions and decimal numbers accurately.
To name and describe the properties of 2D and 3D shapes accurately.
To recall the tools and units of measures required when working with Length, Time, Weight and Capacity.
To accurately create a variety of charts, graphs and tables and interpret the information provided from them.

How will the course be taught?

This course will be delivered online.

What do I need to bring / have ready?

You may choose to bring a dictionary to support with any translations you may need. You may also like to bring a notepad and pen/pencil to record any notes that you would like to make to support you with your learning.

Further support and progression

If you need help whilst on a course with us, our Learner Support Advisor is available to discuss your needs. We offer a range of services, subject to eligibility, which can include practical support and/or financial assistance to ensure you feel fully supported while learning with us. For more information contact alsreferrals@northnorthants.gov.uk or call 01604 368023 (answerphone available). Visit our website www.northamptonshire.gov.uk/course-info for further information about our fees and concessions. Your tutor will inform you of further learning opportunities and progression during your course.

Health and Safety / Online Safety

Your tutor will give you information about Health and Safety on the first day. For information on how to keep safe online go to https://safety.lovetoknow.com/Internet_Safety_Adult and <https://takefive-stopfraud.org.uk/> national awareness campaign. To report suspected scams, or get help and advice about preventing scams call the Citizens Advice consumer helpline on 03454 04 05 06.
