Course Description

Provide a foundation to build upon in your own time so that you are able to improve your technical skills and theoretical knowledge in a practical application. Most of all, expect to have fun!

Course Outcomes

- a) Get to know your instrument and tune it by ear
- b) Play common major and minor chord shapes
- c) Develop and maintain a sense of rhythm
- d) Play along to some simple modern songs
- e) Play along with other musicians

How will the course be taught?

Practical demonstrations and explanations of techniques and theories needed for each task. Individual support when required. Handouts will also be used as ongoing memory aids and reference points.

What do I need to bring?

Please bring a fully strung and working guitar (preferably acoustic) a plectrum and spare set of strings.
