### Multiply

Multiply is a 3 year programme funded through the Department for Education aimed at supporting adults to increase their skills in numeracy. Those who improve their numeracy skills are more likely to be in employment, have higher wages and better wellbeing.

### Course aim

To improve everyday maths skills.

### Course outcomes

1. To recognise key maths terminology.
2. To apply knowledge and understanding of maths to everyday situations.
3. To know what maths learning opportunities are available.

### How will the course be taught?

The course will be taught with lots of practical elements including group and pair work.

If this is an online course, please check the email confirmation for the link to join your Google Classroom. This information is also on 'My Account' when you are logged in to the Adult Learning website. Find 'How to use Google Classroom' at <https://getgoing.nccadultlearning.ac.uk/it-tips/google-classroom>

### What do I need to bring / have ready?

No resources are needed, however you may wish to have a pen and notepad.

If this is an online course, a laptop, PC or tablet and a stable internet connection will be needed.

### Further support and progression

If you need help whilst on a course with us, our Learner Support Advisor is available to discuss your needs. We offer a range of services, subject to eligibility, which can include practical support and/or financial assistance to ensure you feel fully supported while learning with us. For more information contact [alsreferrals@northnorthants.gov.uk](mailto:alsreferrals@northnorthants.gov.uk) or call 01604 368023 (answerphone available). Visit our website [www.northamptonshire.gov.uk/course-info](http://www.northamptonshire.gov.uk/course-info) for further information about our fees and concessions. Your tutor will inform you of further learning opportunities and progression during your course.
