### Delapre Community Rooms

Delapre Community Rooms  
Alton Street  
Northampton

NN4 8EN      **Room** Delapre Community Rooms

Start Date: 17 September 2024  
End Date: 26 November 2024  
Start Time: 10:00AM  
End Time: 12:30PM  
Day: Tuesday  
Sessions: 10  
Tutor: Mrs Katherine Richmond

### Course aim

To develop skills in jewellery design to construction and produce a selection of wearable pieces.

### Course Outcomes

- Design a selection of jewellery pieces developed from visual research
- Select and order materials needed to make your designs
- Use hand tools and traditional jewellery techniques to construct a number of wearable jewellery pieces
- Research and identify techniques used by contemporary practicing jewellers
- Describe safe use of jewellery tools and methods

### How will the course be taught?

A variety of teaching methods are used including: demonstration, group participation and individual support. Resources such as handouts and videos are used to enhance learning.

### What do I need to bring / have ready?

Sketchpad (at least A4 size), pencils, pen, A4 plastic wallet (for keeping handouts), glue stick, scissors and an object or image of a form that inspires you - this could be from nature or a man-made item although try to avoid a piece of jewellery.

### Further support and progression

If you need help whilst on a course with us, our Learner Support Advisor is available to discuss your needs. We offer a range of services, subject to eligibility, which can include practical support and/or financial assistance to ensure you feel fully supported while learning with us. For more information contact [alsreferrals@northnorthants.gov.uk](mailto:alsreferrals@northnorthants.gov.uk) or call 01536 535809 (answerphone available). Visit our website [www.northamptonshire.gov.uk/course-info](http://www.northamptonshire.gov.uk/course-info) for further information about our fees and concessions. Your tutor will inform you of further learning opportunities and progression during your course.

### Health & Safety / Online Safety

When you enrol, please let us know if you require additional personal support to participate in this course. Your tutor will give you information about Health and Safety on the first day. For information on how to keep safe online go to [https://safety.lovetoknow.com/Internet\\_Safety\\_Adult](https://safety.lovetoknow.com/Internet_Safety_Adult) and <https://takefive-stopfraud.org.uk/> national awareness campaign. To report suspected scams, or get help and advice about preventing scams call the Citizens Advice consumer helpline on 03454 04 05 06.

### Further Information

Materials and resources up to a maximum value of £35.00\* will be included in the cost of your course, any additional materials will need to be purchased yourself, either from your tutor or a recommended supplier.

\*Due to daily fluctuations in precious metal costs the exact material costs may vary depending on the projects you are working on in the course.

Saw, blades, base metal and solder are included in the fees.

This course is suitable for beginners only.
