How will the course be taught?

This course will consist of live virtual sessions using Zoom, a free to use video conferencing platform. A variety of teaching methods will be used which may include group discussion, worksheets, practical activities etc., relevant to the course subject. Handouts may be emailed to you after the session to support your learning.

What do I need to bring/have ready?

To join the live session you will need to access the internet via either a phone/laptop/pc/ipad/tablet, with your webcam and microphone switched on. The session is very interactive so please bring some headphones if you have them, to maintain confidentiality, if you have other people in your home during the restrictions. A notepad and pen may be useful if you wish to take notes

Further support and progression

If you need help whilst on a course with us, our Learner Support Advisor is available to discuss your needs. We offer a range of services, subject to eligibility, which can include practical support and/or financial assistance to ensure you feel fully supported while learning with us. For more information contact alsreferrals@northnorthants.gov.uk or call 01604 368023 (answerphone available). Visit our website www.northamptonshire.gov.uk/course-info for further information about our fees and concessions. Your tutor will inform you of further learning opportunities and progression during your course.
