What will I learn?

You will explore the essential knowledge and skills to navigate the digital world safely and securely. You will also learn how to protect your personal information, identify online threats and adopt best practices for online communication.

What will I need to take part?

You may choose to bring a notepad and pen to record notes if you would like.

What to expect

This course is delivered in a face to face setting.

Where can it lead to?

This course can help learners develop the confidence and skills needed to use the internet more safely and independently. Learners may progress to other digital skills courses, including courses delivered online, and feel more confident accessing services, learning opportunities, and everyday activities that require digital skills. The course can also support learners to recognise scams, protect personal information, and stay safe online.

Course eligibility and fees

This adult learning course is available to residents of Northamptonshire who are:

- aged 19 or over on 31st August in the funding year

- living in England, outside a devolved adult skills funding area.

- ordinarily resident in England on the first day of learning.

If you don't meet the above requirements, including some international students or people not ordinarily resident in the UK, you will not be able attend this course.

Asylum seekers may be eligible to attend in some circumstances, including where they have lived in the UK for 6 months or longer while their claim is being considered, or where they receive certain types of local authority support.

Northamptonshire Adult Learning Service work in partnership with National Careers Service advisers who can provide information, advice and guidance on skills, learning and work. National Careers Service can contacted by telephone 0800 100 900 or text your name and the word ADVICE to 07766 413219 and an adviser will call you back for free or go to https://nationalcareersservice.direct.gov.uk/
