UKSPF - Shared Prosperity Fund

UKSPF aims to level up the whole of the UK by building pride in place, supporting local businesses and people, and skills.

Course aim

These free courses are based in local neighbourhoods in order for local people to have a go at learning something new at a venue close to where they live. The courses give learners the opportunity to make new friends, develop new skills and find out what other learning opportunities are available. The classes are taught by experienced tutors and most importantly learning will be fun.

Course outcomes

- a) learn and practice a new craft based skill
- b) understand how colour affects your design choice
- c) understand how using recycled materials saves money and reduces waste
- d) know what learning opportunities are available in your community

How will the course be taught?

Face to face.

What do I need to bring / have ready?

All materials are provided.

Further support and progression

If you need help whilst on a course with us, our Learner Support Advisor is available to discuss your needs. We offer a range of services, subject to eligibility, which can include practical support and/or financial assistance to ensure you feel fully supported while learning with us.
