What will I learn?

Unlock your creativity and learn the fundamentals of sculpting facial features in this immersive, one day clay modelling workshop. Perfect for beginners and those curious about working with clay, this hands on session guides you step by step through the process of shaping a characterful clay face.

What will I need to take part?

Note book and pen, apron and your lunch.

What to expect

What you can expect to learn:

- How to observe and understand facial proportions.
- Techniques for building a strong clay base for your sculpture.
- Step by step guidance on modelling eyes, nose, mouth, and expression
- How to use essential sculpting tools to refine detail and texture.
- Tips for creating realistic or stylised facial features.
- Techniques to add character, depth, and personality to your clay model.
- By the end of the workshop, you'll have created your own expressive clay face and gained the confidence to continue exploring sculptural clay techniques at home or in further classes.

Where can it lead to?

You can enroll on other Ceramic Adult Learning Courses.
