Course Aim

This course will enable you to learn more about the subject and develop new skills. The course is designed to enable learners to use a range of simple techniques to produce still life drawing and paintings.

Course Outcomes

- a) Introduce participants to elementary drawing and painting techniques.
- b) Recognise the principles of arranging a pleasing still life composition.
- c) Draw and paint objects, using a range of media, with shading and texture
- d) Evaluate work with confidence.

How will the course be taught?

Face to Face.

What do i need to bring/ have ready?

To take part in the course, you will need a computer, laptop, phone or tablet connected to the internet and be able to view a live video stream. We also recommend that you have a pen and notepad to hand during the sessions.
