### What will I learn?

Throughout this course you will learn a variety of crafts and techniques. We will help you understand how to support your child's learning and development through crafting using everyday resources you probably already have at home.

### What will I need to take part?

A notebook and pen if you wish to take notes.

### What to expect

This course is for parent/carers and family members who help to look after children. Throughout the course, you will try a range of craft activities and share ideas on how doing crafts can support your child's learning at home.

### Where can it lead to?

1. Find out how to make a range of crafts.
2. Make items you can use to support and develop your child's learning.
3. Find how to use everyday activities to help your child learn at home.
4. Gain new skills, knowledge and confidence in a positive learning environment.
