Health and Safety

Health and Safety at Work courses will teach you the moral and legal framework to be able to stay healthy and safe at work and you will learn some common hazards and risks in the workplace.

Each course is delivered through one 2 hour session per week and typically lasts 4 weeks.

Course Aims

To achieve a Level 2 certificate in Health and Safety in the Workplace.
To identify the moral and legal framework of all employees to keep themselves and others healthy and safe.

Course Outcomes

To understand the legal obligations of employees for Health and Safety.
To identify common hazards and risks in the work place.
To recognise the importance of recording and reporting incidents.
To gain new skills, knowledge and confidence in a positive learning environment.

How will the course be taught?

Health and Safety courses can be taught online via Google Classroom.

What do I need to have ready?

You will need a laptop, PC or tablet and a stable internet connection. We recommend that you have paper, a pencil, a pen and a notepad during the session. You will need to provide photographic I.D to take the exam.

Further Support or Progression

Please let us know if there is anything we can do to help and support you on this course, or if you need help to understand our fees or concessions. You will find out about further learning opportunities and progression information during this course. Further information can also be found here:
