### Course aim

To enable you to hold a simple conversation in the language on general topics using different tenses (present, past or future).

### Course outcomes

- a) read and understand simple information from menus, tourist information and short articles
- b) recognise and use part tense / future tense
- c) use vocabulary on a range of general topics and daily activities
- d) ) show an appreciation of some of the customs and culture of the countries where the language is spoken

### How will the course be taught?

A communicative approach. All four skills (speaking, reading, listening & writing) are practised, with the main emphasis on speaking. Learners engage in interactive language activities participating in group & pair work.

Learners will also be offered guidance in self-study and set optional homework tasks.
