Course aim

The aim of this course is to improve your skills for managing your family finances.

Course Outcomes

Find out new ways to help with budgeting and planning
Share money saving ideas and find new resources to help.
Recognise the difference between needs and wants in your family setting
Gain new skills, knowledge and confidence in a positive learning environment.

How will the course be taught?

The course will be taught in a small group face to face setting with resources available on Google Classroom. Sessions will include opportunities to discover new resources and share your own experience of managing your family finances, money saving tips etc. You will get more from the course if you expect to do some exploring between sessions.

If this is an online course, please check the email confirmation for the link to join your Google Classroom. This information is also on 'My Account' when you are logged in to the Adult Learning website.
