Start Time: 11:00AM  
End Time: 12:30PM  
Day: Tuesday  
Sessions: 2  
Tutor: Mrs Virginia Antunes

ZZ99 9ZZ      **Room** Virtual Classroom - Zoom

### Course aim

This course will discuss how Psychology can help understand our own behaviour and that of others'. Psychology can also help us in day to day managing, from dealing with stress, wellbeing, communication and developing positive interpersonal relationships.

### Course outcomes

- a) Define Psychology and five of their main views
- b) Recognise the benefits of Psychology for mental health and wellbeing
- c) Identify specific techniques that can be used for everyday life
- d) Apply understanding to real life situations

### How will the course be taught?

The course will be taught online via Zoom and will be a live interactive class. Joining instructions along with unique log in for the session will be emailed to you by our support services team prior to the course start date so please check your email address prior to the class. To take part in the course learners will need:

A computer, laptop, phone or tablet connected to the internet and able to view a live video stream.

### What do I need to bring / have ready?

Pen and paper

### Further support and progression

If you need help whilst on a course with us, our Learner Support Advisor is available to discuss your needs.
