### Course aim

This is a taster course delivered by the Northamptonshire Adult Learning Service designed as an introduction to online learning using Zoom for delivery. Over the 4 weeks we will cover some sewing projects, simple papercraft, string and/or wire decorations and a festive wreath. More details are given below. Each session will be full of ideas, instruction and discussion. All the items made will be ideal either as gifts or have a use in the festive season. I always try and reuse materials from around the house so am hoping that you will not have to spend very much to get the materials for each session.

### Course Outcomes

- Follow instructions to make a variety of items which can be given as gifts at Christmas or used in the festive season.
- Identify ways to enhance the basic items, eg embellishments, alternative materials.
- Use new craft skills.

### How will the course be taught?

The course will be taught online via Zoom and will be a live interactive class. Joining instructions along with unique log in for the session will be emailed to you by our support services team prior to the course start date so please check your email address prior to the class.

To take part in the course learners will need:

link

- A computer, laptop, phone or tablet connected to the internet and able to view a live video stream.

### What do I need to bring / have ready?

Please see the materials list in the link below.
