Sessions: 10

Tutor: Ms Maria Martinez Gran

Course aim

To enable you to produce a conversation on familiar matters regularly encountered in daily life

Course outcomes

- a) Use context specific vocabulary relating to personal interest and / or familiar topics
- b) Initiate and maintain a routine conversation on everyday topics
- c) Structure the language appropriately including using different tenses
- d) Demonstrate an appreciation of the customs and culture of the countries where the language is spoken

How will the course be taught?

A communicative approach: all four skills (speaking, reading, writing and listening) are practised, with the main emphasis on speaking. Learners engage in interactive language activities participating in group and pair work.

The course will be taught online via Zoom and will be a live interactive class. Joining instructions along with unique log in for the sessions will be emailed to you by our support services team prior to the course start date: please check your email address prior to the class. To take part in the course, you will need: a computer, laptop, phone or tablet connected to the internet and able to view a live video stream.

What do I need to bring / have ready?

A dictionary, writing materials. You may wish to purchase a course book, the tutor will advise you.
