### Learn2b

Learn2b specialises in supporting people's recovery from mental health difficulties through learning and education. Learn2b is not therapy and the courses can run alongside any other form of help, support, education or training learners may be receiving. Learners are at the heart of every session; we recognise that some days we can feel unmotivated or low, and we accept that is okay. By attending our courses, people soon learn that they are not on their own; they will discover that other people experience similar things to themselves and find some common ground, often leading to a peer to peer support network. If you are new to Learn2b you will be contacted by our Learner Support Advisor to have a brief conversation with you prior to enrolling on to the course. Email [alsreferrals@northnorthants.gov.uk](mailto:alsreferrals@northnorthants.gov.uk) if you would like some help accessing Zoom.

### Course aim

Be creative with the use of fabric, or recycled items of clothing, to make a Rag Wreath.

### Course outcomes

- a) Use fabric strips to make a circular, decorative Rag Wreath.
- b) Discuss and identify the benefits of using craft as a strategy to support your mental health recovery.

### How will the course be taught?

A variety of teaching methods will be used which may include group discussion, worksheets, practical activities etc., relevant to the course subject. Handouts may be emailed to you after the session to support your learning.

### What do I need to bring/have ready?

From your own resources, you will need a pair of sharp scissors, a minimum of 50 ready cut strips of fabric measuring about 20cm long x 3cm wide, plus additional fabric to make more strips during the workshop. A notebook and pen may be useful if you wish to take notes. You will be sent an 8" metal wreath ring prior to the workshop, you will need to provide ALL of your own fabric to make the wreath. To join the live session you will need to access the internet via either a laptop/pc/ipad/tablet, with your webcam and microphone switched on. The session is very interactive so please bring some headphones if you have them, to maintain confidentiality.

### Further support and progression

If you need help whilst on a course with us, our Learner Support Advisor is available to discuss your needs. We offer a range of services, subject to eligibility, which can include practical support and/or financial assistance to ensure you feel fully supported while learning with us. For more information contact [alsreferrals@northnorthants.gov.uk](mailto:alsreferrals@northnorthants.gov.uk) or call 01604 368023 (answerphone available).
