### Learn2b

Learn2b specialises in supporting people's recovery from mental health difficulties through learning and education. Learn2b is not therapy and the courses can run alongside any other form of help, support, education or training learners may be receiving. Learners are at the heart of every session; we recognise that some days we can feel unmotivated or low, and we accept that is okay. By attending our courses, people soon learn that they are not on their own; they will discover that other people experience similar things to themselves and find some common ground, often leading to a peer to peer support network. If you are new to Learn2b you will be contacted by our Learner Support Advisor to have a brief conversation with you prior to enrolling on to the course. Email [alsreferrals@northnorthants.gov.uk](mailto:alsreferrals@northnorthants.gov.uk) if you would like some help accessing Zoom.

### Course aim

Learn how to express yourself through the use of collage, with the combination of the written word and visual images.

### Course outcomes

- a) Create a positive message postcard using collage techniques
- b) State how the postcards can help to promote wellbeing for ourselves or others

### How will the course be taught?

A variety of teaching methods will be used which may include group discussion, worksheets, practical activities etc., relevant to the course subject. Handouts may be emailed to you after the session to support your learning.

### What do I need to bring/have ready?

From your own resources, you will need to have scissors, images from magazines, and some scrap papers, for example old envelopes. A supply of relevant resources will be sent to you prior to your workshop. To join the live session you will need to access the internet via either a laptop/pc/ipad/tablet, with your webcam and microphone switched on. The session is very interactive so please bring some headphones if you have them, to maintain confidentiality.

### Further support and progression

If you need help whilst on a course with us, our Learner Support Advisor is available to discuss your needs. We offer a range of services, subject to eligibility, which can include practical support and/or financial assistance to ensure you feel fully supported while learning with us. For more information contact [alsreferrals@northnorthants.gov.uk](mailto:alsreferrals@northnorthants.gov.uk) or call 01604 368023 (answerphone available). Visit our website [www.northamptonshire.gov.uk/course-info](http://www.northamptonshire.gov.uk/course-info) for further information about our fees and concessions. Your tutor will inform you of further learning opportunities and progression during your course.

### Health and safety/online safety
