Course aim

This online course, using Zoom for delivery, will enable you to learn more about the subject, develop new skills and also find out how participating in learning can support your wellbeing. During this course you have fun learning how to cook a range of delicious Oriental dishes.

Course Outcomes

- Recognise a range of spices and describe their uses
- Be able to store spices to increase shelf life
- Make range of dishes from around Asia
- Be able to adapt the recipes to create your own bespoke dishes
- Understand how participating in learning can increase personal confidence and a sense of wellbeing.

How will the course be taught?

The course will be taught online via Zoom and will be a live interactive class. Joining instructions along with unique log in for the session will be emailed to you by our support services team prior to the course start date so please check your email address prior to the class.

What do I need to bring / have ready?

To take part in the course, you will need a computer, laptop, phone or tablet connected to the internet and be able to view a live video stream. We also recommend that you have a pen and notepad to hand during the sessions. You will also be provided with a list of ingredients and utensils required.
