Next Steps

Dementia - Introduction for Carers and Relatives

Health and Safety

When you enrol, please let us know if you require additional personal support to participate in this course. Your tutor will give you information about Health and Safety on the first day. For information on how to keep safe online go to https://safety.lovetoknow.com/Internet_Safety_Adult and <https://takefive-stopfraud.org.uk/> national awareness campaign. To report suspected scams, or get help and advice about preventing scams call the Citizens Advice consumer helpline on 03454 04 05 06.

Information

In order to show progression throughout the course, it may be necessary to use video or digital cameras during the lesson. Your course induction should cover any further information you may require. Also, handouts are available on <http://www.nals.org.uk/learner/>

If you are enrolled on, or considering enrolling for a course or qualification with us, we can signpost you to the National Careers Service. This can be helpful if you would like to progress to further learning and/or employment and would like support from a qualified National Careers Service adviser. For more information please email: CommunityLearning@firstforwellbeing.co.uk or call us on 01604 367 119.
