Course Aim

This course will explore some techniques of collage using mixed media in a fun and relaxing way. We will experiment with textures, recycled objects and produce creative pictures. We will look at the work of other artists both historical and contemporary who have used this artform.

Course Outcomes

- 1 Discuss and explore some techniques of collage and mixed media.
- 2 Identify a range of materials to create pieces of artwork.
- 3 Look at the work of historical and contemporary artists.
- 4 Evaluate your own design and designs created by others in the group.

How will the course be taught?

Demonstration, 1-1 tuition, handouts, practical work and class discussion.

What do I need to bring / have ready?

2 or 3 found objects, such as dried flowers/leaves. You will also need a glue stick, scissors/craft knife, notebook and pen. Please also bring your own refreshments. There will be some resources available.
