Course aim

Crochet is a popular and fashionable activity which is relatively easy to do with a bit of practise. During this course you will learn the basic crochet stitches and you will be able to make a granny square and other simple crochet items.

Course outcomes

1. Be able to complete chain, double crochet, treble and slip stitches.
2. Use the stitches above to make a granny square, flower motif or simple purse.
3. Recognise the terminology and be able to read simple crochet patterns.

How will the course be taught?

The course will be taught face to face using discussion, demonstration and practical activities.

What do I need to bring / have ready?

You will need a 4mm crochet hook and some double knitting wool or cotton. It is easier to keep an eye on your work if the colour is not too dark and the yarn is smooth (not fluffy).
