Control of Substance Hazardous to Health

COSHH courses are free for individuals who have lived in the UK / EEA for a minimum of 3 years and are unemployed and in receipt of Jobseekers Allowance, Employment Support Allowance or Universal Credit, or if you are employed and earn below £17,374.50 per annum. Learners who earn over that amount are still welcome to attend the course but will be expected to make a financial contribution of £5.50 per hour which you can pay as you go. Funding is subject to eligibility criteria, and we will discuss this with you at the beginning of the course.

Course aim

To provide you with an understanding of identifying and managing chemicals in the workplace.

Course Outcomes

- To understand the risks of hazardous substances.
- To recognise strategies for controlling risks in the workplace.
- To build awareness of the legal framework for COSHH in the workplace.
- To gain new skills, knowledge and confidence in a positive learning environment.

How will the course be taught?

The course will be taught with lots of practical elements including group, pair and individual work.
