Course aim

Join a small group of like minded learners to learn the basic technique of crochet, taught in a step by step way at the pace of each learner.

Course outcomes

To learn how to hold the hook and wool in a comfortable way for you

To learn to do the chain stitch, double crochet stitch and then the treble crochet

Depending on your progress, you could move onto granny squares or crochet in the round, dependent on what you want to learn

How will the course be taught?

face to face.

What do I need to bring / have ready?

If possible please bring your own crochet hooks and wool. The tutor will have a few sets available for purchase. A size 3.5/4.0mm hook is good for most people to start with. A light colour double knitting wool is best for starting as you can see the stitches more clearly. Do not choose baby wool, fluffy or bobbly wool for starting.
