Course aim

To enable you to hold a simple conversation in the language on general topics using different tenses and to be able to write a short email or letter.

Course outcomes

- Write a simple letter or email using different tenses.
- Demonstrate an ability to use vocabulary on a range of general topics and daily activities.
- Talk about past and future events using longer sentences
- Demonstrate an appreciation of some of the customs and culture of the countries where the language is spoken

How will the course be taught?

A communicative approach. All four skills (speaking, reading, listening & writing) are practised, with the main emphasis on speaking. Learners engage in interactive language activities participating in group & pair work.

Learners will also be offered guidance in self-study and set optional homework tasks.
