ESOL

This short course will prepare you for the full ESOL course. ESOL is short for English for Speakers of Other Languages. ESOL courses are for people whose first language is not English. An ESOL course can improve your English speaking, listening and communication skills and help increase your employability. ESOL courses are delivered by specialist language tutors.

Course aim

To develop your confidence in English and develop your speaking, listening and communication skills. You will be supported with completing an initial assessment so that we can ascertain the level you are working towards.

Course Outcomes

- Develop your English speaking, listening and communication skills
- Know your learning level
- Engage competently and confidently with others
- Prepare for an ESOL Speaking, Listening and Communication course

How will the course be taught?

This ESOL course is taught online via Google Classroom.

Could I gain a certificate?

Not during this short course but you will be able to progress onto a full ESOL course and work towards gaining an ESOL Skills for Life qualification.

What do I need to bring / have ready?

You will need a laptop, PC or tablet and a stable internet connection. We recommend that you have paper, a pencil, a pen and a notepad during the session.
