### Course Outcomes

- To find out new ways to help with budgeting. (SLlr/E3.1 - Listen for and follow the gist of explanations, instructions and narratives in different contexts)
- To share money saving ideas. (SLd/E3.2 - Make contributions to discussions that are relevant to the subject)
- To complete everyday money calculations accurately. (Mss1/E3.1 - add and subtract sums of money using decimal notation)
- To gain new skills, knowledge and confidence in a positive learning environment.

### How will the course be taught?

The course will be taught with lots of practical elements including group, pair and individual work.

### Could I gain a certificate?

You will gain an Adult Learning Service certificate for attending the course. If you are working towards a recognised qualification and you are successful then you will gain a certificate from the relevant awarding organisation.

### What do I need to bring?

You may wish to bring your own pen and notepad and a folder for handouts is useful.

### Health and Safety/ Online Safety

Your tutor will give you information about Health and Safety on the first day. For information on how to keep safe online go to [https://safety.lovetoknow.com/Internet\\_Safety\\_Adult](https://safety.lovetoknow.com/Internet_Safety_Adult) and <https://takefive-stopfraud.org.uk/> national awareness campaign. To report suspected scams, or get help and advice about preventing scams call the Citizens Advice consumer helpline on 03454 04 05 06.

### Further Support or Progression

Please let us know if you require additional personal support to participate in this course. This course is a good foundation for Keeping up with the Children – Maths and Family Maths Modules 1 and 2 which can lead to a City and Guilds Functional Skills Maths qualification, if appropriate. Information and advice on further learning and progression will be available during the course.
