Day: Wednesday
Sessions: 4
Tutor: Mrs Louise Williams

ZZ99 9ZZ **Room** Virtual Online Google Class Ro

Course aim

To develop your confidence and skills with maths and to assess your level of working through practical applications and diagnostic work.

Course Outcomes

- a) Gain confidence in simple calculations in everyday Maths
- b) Apply knowledge and understanding of Maths to everyday situations
- c) Recognise the progress you need to make to stretch and challenge yourself with Maths

How will the course be taught?

The course will be taught online using Google Classroom and Google Meet.

Could I gain a certificate?

Not with this short course, but may lead to you working towards gaining a recognised qualification in Maths.

What do I need to bring / have ready?

You may wish to bring your own pen, pencil, ruler and calculator.

Health and Safety / Online Safety

When you enrol, please let us know if you require additional personal support to participate in this course. Your tutor will give you information about Health and Safety on the first day. For information on how to keep safe online go to https://safety.lovetoknow.com/Internet_Safety_Adult and <https://takefive-stopfraud.org.uk/nationalawarenesscampaign>. To report suspected scams, or get help and advice about preventing scams call the Citizens Advice consumer helpline on 03454 04 05 06.

Further support and progression

This course is a good foundation for moving on to a maths qualification course. You will find out about further learning opportunities and careers advice and guidance as appropriate through this course.

Northamptonshire Adult Learning Service work in partnership with National Careers Service advisers who can provide information, advice and guidance on skills, learning and work. National Careers Service can be contacted by telephone 0800 100 900 or text your name and the word ADVICE to 07766 413219 and an adviser will call you back for free or go to <https://nationalcareersservice.direct.gov.uk/>
