Course Description

Brush Up Your Maths courses can help to develop your Maths skills and will teach you how to use Maths in everyday situations. Courses take place remotely using Google Classroom and are delivered by specialist language tutors.

Each course is delivered through two 2 hour sessions per week and typically lasts 6 weeks..

Course Aims

To develop your confidence in using Maths skills
To gain a recognised AIM qualification at the level appropriate to your learning.

Course Outcomes

Gain confidence in using simple calculations in everyday Maths.
Apply knowledge and understanding of Maths to everyday situations
Recognise the progress you need to make to stretch and challenge yourself with maths
To complete an AIM qualification at the appropriate level.

How will the course be taught?

Brush up Your Maths courses can be taught online via Google Classroom,

What do I need to have ready?

You will need a laptop, PC or tablet and a stable internet connection. We recommend that you have paper, a pencil, a pen and a notepad during the session.
