Personal Development

Personal Development courses can help you to take up a new interest, learn for enjoyment, build your confidence or gain skills for future employment or self-employment.

Course description

This online course, using Zoom for delivery, is free for all learners and will enable you to learn more about the subject, develop new skills and also find out how participating in learning can support your wellbeing. To paint animals from observation with good composition, accuracy and painterly skills.

Course Outcomes

- a) Produce a monochrome pencil drawing of a domestic pet such as a dog or cat
- b) Use coloured pencils to draw a tiger in its natural habitat
- c) Use watercolour to create a painting of an exotic colourful bird
- d) Use three watercolour techniques to render the texture and colour of an elephant in its natural habitat
- e) Understand how participating in learning can increase personal confidence and a sense of wellbeing.

How will the course be taught?

The course will be taught online via Zoom and will be a live interactive class. Joining instructions along with unique log in for the session will be emailed to you by our support services team prior to the course start date so please check your email address prior to the class.

What do I need to bring?

To take part in the course, you will need a computer, laptop, phone or tablet connected to the internet and be able to view a live video stream. We also recommend that you have a pen and notepad to hand during the sessions.

A3 drawing pad and a number of soft B pencils 3b, 4b and a putty rubber.

You will need heavy weight cartridge paper, coloured pencils, watercolour paints a palette, water pots and small number of brushes. The tutor will advise you of any additional materials required.
