Room

Course description

This is a course delivered by the Northamptonshire Adult Learning Service designed to discuss and reflect on the relevance of gender in criminal behaviour, using Zoom for delivery.

Course Outcomes

- a) Identify main gender differences according to biological, psychological and cultural approaches
- b) Recognise how these differences may impact criminal behaviour
- c) Apply this understanding to case studies

How will the course be taught?

The course will be taught online via Zoom and will be a live interactive class for 2.30h.

Joining instructions along with unique log in for the session will be emailed to you by our support services team prior to the course start date so please check your email address prior to the class.

To take part in the course learners will need:

A computer, laptop, phone or tablet connected to the internet and able to view a live video stream.

What do I need to bring?

We also recommend that you have a pen and notepad to hand during the sessions.

Further support or progression

Please let us know if there is anything we can do to help and support you on this course, or if you need help to understand our fees or concessions. You will find out about further learning opportunities and progression information during this course. Further information can also be found here:

www.northamptonshire.gov.uk/course info

Health and Safety

When you enrol, please let us know if you require additional personal support to participate in this course. Your tutor will give you information about Health and Safety on the first day. For information on how to keep safe online go to https://safety.lovetoknow.com/Internet_Safety_Adult and <https://takefive.stopfraud.org.uk/> national awareness campaign. To report suspected scams, or get help and advice about preventing scams call the Citizens Advice consumer helpline on 03454 04 05 06.

Further Information
