Course Description

If you have never studied Italian before and would like to, take the first steps with this course. It provides an introduction to learning the language and will suit you if you want to have lots of opportunities to practise speaking and understanding some basic Italian. The vocabulary covered will be based on some of the everyday situations you might encounter on a first visit to an Italian speaking country e.g. meeting people and introducing yourself, ordering drinks in a cafe.

Course Outcomes

By the end of the course you will be able to:

- a) Repeat/say/understand basic phrases e.g. greetings
- b) Give and understand simple information concerning numbers and prices
- c) Follow short verbal instructions
- d) Recognize and read out basic words and phrases

How will the course be taught?

The course will be taught online via Zoom and will be a live interactive class. Joining instructions along with unique log in for the session will be emailed to you by our support services team prior to the course start date so please check your email address. To take part in the course learners will need either: a computer or laptop, phone or tablet connected to the internet and able to view a live video stream.

What do I need to bring?

Pen and paper
