Course description

This course will give you the opportunity to learn practical knowledge of how to buy and sell items using eBay.

Course Outcomes

- Refine searches when buying items by using sub categories
- Search by condition; price; auction type & location
- Manage buying lists and look at bidding strategy
- Sell more items by using smarter titles and appropriate categories
- Calculate fees and postage costs
- Load and trim photos

How will the course be taught?

The course will be taught using demonstration and practical exercises. See under qualification.

Could I gain a certificate?

You will need to have an eBay account and a good basic knowledge of computers and internet, keyboard, basic surfing and good use of a mouse.

What do I need to bring?

Ensure you know your user name and password for eBay.
Paper and pen to jot down reminders.

Further support or progression

You can discuss your requirements with your tutor towards the end of the course.

Health and Safety

When you enrol, please let us know if you require additional personal support to participate in this course. Your tutor will give you information about Health and Safety on the first day. For information on how to keep safe online go to https://safety.lovetoknow.com/Internet_Safety_Adult and <https://takefive-stopfraud.org.uk/> national awareness campaign. To report suspected scams, or get help and advice about preventing scams call the Citizens Advice consumer helpline on 03454 04 05 06.
