Start Time: 12:45PM
End Time: 2:45PM
Day: Tuesday
Sessions: 10
Tutor: Mrs Katherine Richmond

Course aim

To develop skills in jewellery design to construction and produce a selection of wearable pieces.

Course Outcomes

- Design a selection of jewellery pieces developed from visual research
- Select and order materials needed to make your designs
- Use hand tools and traditional jewellery techniques to construct a number of wearable jewellery pieces
- Research and identify techniques used by contemporary practicing jewellers
- Describe safe use of jewellery tools and methods

How will the course be taught?

A variety of teaching methods are used including: demonstration, group participation and individual support. Resources such as handouts and videos are used to enhance learning.

What do I need to bring / have ready?

Sketchpad (at least A4 size), pencils, pen, A4 plastic wallet (for keeping handouts), glue stick, scissors and an object or image of a form that inspires you - this could be from nature or a man-made item although try to avoid a piece of jewellery.

Further support and progression
