Course description

Learn2b courses are free of charge to anyone who lives with (or has experienced) a mental health disorder. Diagnosis is not essential. Tutors, who are selected specifically because of their own experiences of mental health illness will support you through a variety of teaching and learning in a safe and welcoming environment. All tutors are qualified in subject matter and passionate about the principles of Learn2b. Take time out to improve wellbeing and learn the basic skills of Crochet, from getting started, to making a chain and creating stitches to create a colourful crocheted square.

Outcomes

- Learn how to crochet and make a colourful crocheted square
- Discuss and state the differences between crochet stitches
- Learn about the benefits of crafting on mental health and wellbeing

How will the course be taught?

What do I need to bring?

A pen and notebook may be useful if you would like to make notes. You should bring reading glasses if you require them as there will be a little bit of paperwork to complete. If the course takes place over a whole day then you should bring a light lunch with you.

Taking the first steps and staying safe

Please let us know if there is anything we can do to help and support you on this course. We understand that trying new things and meeting new people can be daunting. You can trust your tutor to make you feel really welcome, but we can also provide further support if this is your first time attending. One of the Learn2b team can meet you, help you settle in and assist you throughout the session. We want you to relax and gain as much as possible from our courses, we will go out of our way to ensure this happens.

When you enrol, please let us know if you require additional personal support to participate in this course. Your tutor will give you information about Health and Safety on the first day.

For information on how to keep safe online go to Internet Safety for Adults and Take Five a national awareness campaign at https://safety.lovetoknow.com/Internet_Safety_Adult and <https://takefive-stopfraud.org.uk/>. To report suspected scams, or get help and advice about preventing scams call the Citizens Advice consumer helpline on 03454 04 05 06.

Further support for mental wellbeing

You will find out about further learning opportunities and careers advice and guidance as appropriate through this course. If you feel you need any further support to attend our courses please speak to your tutor or contact the Learn2b team by email at Learn2b@firstforwellbeing.co.uk or by phone on 01604 368023.

If you are enrolled on, or considering enrolling for a course or qualification with us, we can signpost you to the National Careers Service. This can be helpful if you would like to progress to further learning and/or employment and would like support from a qualified National Careers Service adviser.
