Course aim

This course will introduce you to the interesting and sustainable printing process of Cyanotype in a fun and relaxing way. You will experiment with natural and man made objects to create prints of your own using paper and fabric

Course outcomes

- 1 You will discuss and explore Cyanotype techniques.
- 2 You will identify a range of materials needed to create a piece of artwork.
- 3 You will complete a piece of artwork during the session.
- 4 Research and discuss other artists who have used this process.

How will the course be taught?

Demonstration, 1-1 tuition, handouts, practical work and class discussion.

What do I need to bring / have ready?

Apron, gloves, A4 printer paper x 4 pieces, old newspaper if you have any available. In week 1 we will discuss other materials needed and where to buy them.
