End Time: 11:30AM  
Day: Friday  
Sessions: 10  
Tutor: Mrs Farhat Faizan

ZZ99 9ZZ      **Room** Online- Google Classroom

### Multiply

Multiply is a 3 year programme funded through the Department for Education aimed at supporting adults to increase their skills in numeracy. Those who improve their numeracy skills are more likely to be in employment, have higher wages and better wellbeing.

Our free numeracy courses are for individuals:

- resident in North or West Northamptonshire, aged 19 and over
- that have not achieved a maths GCSE of at least a Grade C or equivalent
- who may want to develop numeracy skills for work or progression
- that want to brush up and develop their numeracy skills for everyday life.

### Course aim

For learners to develop their confidence and skills across all areas of Maths at a specific and targeted level to allow them to confidently progress on to achieve the next level of qualification. The course is designed for those learners who have previously achieved at this level but have since lost confidence and skills and are unable to successfully access the next level of their education without this support.

### Course outcomes

- To gain confidence in simple calculations in everyday maths.
- To apply knowledge and understanding of maths to everyday situations.
- To recognise the progress you need to make to stretch and challenge yourself in maths.
- To prepare you for the full Functional Skills maths course.

### How will the course be taught?

This course will be taught with lots of practical elements including group, pair and individual work. As this is an online course, please check the email confirmation for the link to join your Google Classroom. This information is also on 'My Account' when you are logged in to the Adult Learning Website. Find 'How to use google Classroom' at <https://getgoing.nccadulthoodlearning.ac.uk/it-tips/google-classroom>

### Could I gain a certificate?

No, but this course is a good foundation for moving on to a full maths course where you will work towards gaining a City and Guilds qualification.

### What do I need to bring / have ready?

You may wish to have your own pen, notepad, ruler and calculator ready, but resources are provided in Google Classroom. As this is an online course, a laptop, PC or tablet and stable internet connection will be needed.

### Further support and progression

If you need help whilst on a course with us, our Learner Support Advisor is available to discuss your needs. We offer a range of services, subject to eligibility, which can include practical support and/or financial assistance to ensure you feel fully supported while learning with us. For more information contact [alsreferrals@northnorthants.gov.uk](mailto:alsreferrals@northnorthants.gov.uk) or call 01604 368023 (answerphone available). Visit our website [www.northamptonshire.gov.uk/course-info](http://www.northamptonshire.gov.uk/course-info) for further information about our fees and concessions. Your tutor will inform you of further learning opportunities and progression during your course.

### Health and Safety / Online Safety

Your tutor will give you information about Health and Safety on the first day. For information on how to keep safe online go to [https://safety.lovetoknow.com/Internet\\_Safety\\_Adult](https://safety.lovetoknow.com/Internet_Safety_Adult) and <https://takefive-stopfraud.org.uk/> national awareness campaign. To report suspected scams, or get help and advice about preventing scams call the Citizens Advice consumer helpline on 03454 04 05 06.
