Course aim

To make homemade bread and butter and learn more about science with the family and find out more about family learning.

Course Outcomes

1. To make bread and butter from scratch and understand a bit about the science of this activity.
2. To understand more about Family Learning and what is available to join.

How will the course be taught?

This session is taught live online with a tutor and will involve hands on making of a recipe.

What do I need to bring/have ready?

You will need to be set up in your kitchen or suitable area for cooking with access to an oven. You will need cooking utensils and ways to measure ingredients, a baking sheet, mixing bowl and electric whisk. You will be sent an e-voucher to buy the ingredients from a local Tesco and the recipe so please have these ingredients ready on the day.

Health and Safety/ Online Safety

Your tutor will give you information about Health and Safety on the first day. For information on how to keep safe online go to https://safety.lovetoknow.com/Internet_Safety_Adult and <https://takefive-stopfraud.org.uk/> national awareness campaign.
