Course aims

This course covers Paediatric First Aid either for beginners or as a refresher. It is non-certificated.

Course Outcomes

1. Identify the role and responsibilities of the paediatric first aider
2. Recognise how to manage the most common and serious paediatric first aid situations safely.
3. Be able to complete records relating to illnesses, injuries and emergencies.

How will the course be taught?

The course will be taught online via Zoom and will be a live interactive class. Joining instructions along with unique log in for the session will be emailed to you by our support services team prior to the course start date so please check your email address prior to the class.

What do I need to bring / have ready?

To take part in the course learners will need:

- * A computer, laptop, phone or tablet connected to the internet and able to view a live video stream.
- * If possible, a triangular bandage and a standard bandage.
- * If possible, a doll, teddy bear or volunteer to act as casualty.

We also recommend that you have a pen and notepad to hand during the sessions
