ZZ99 9ZZ **Room** Learning Curve Platform

Course aim

This course is ideal if you are looking to gain a qualification through a flexible self -study approach. You can start the course anytime throughout the year and can be completed within 12 weeks. The course is delivered through our online platform, where you will be given the relevant learning materials and assessments for this qualification.

The aim of this qualification is to increase the your knowledge and awareness of children and young people's mental health.

By completing the qualification, you will develop knowledge of mental health in children and young people which would support progression onto further qualifications and into relevant employment in the health and social care or education sectors.

Course Outcomes

You will complete 5 mandatory units as a part of this course:

- Unit 1- Understand children and young people's mental health in context
- Unit 2- Understand factors which may affect children and young people's mental health
- Unit 3 - Understand children and young people's mental health concerns
- Unit 4- Understand the impact of children and young people's mental health concerns
- Unit 5 - Understand how to support children and young people with mental health concerns

By the end of the course you will be able to:

- Know the legislation and guidance that applies to children and young people's mental health.
- Understand how society views mental health.
- Understand the risk factors that can affect children and young people's mental health and how these can be mitigated
- Understand behaviour that is associated with mental health concerns in children and young people.
- Know about specific mental health conditions that children and young people may experience.
- Understand the importance of being diagnosed with a mental health problem.
- Understand person-centred approaches to supporting children and young people with mental health concerns.
- Understand services and treatment involved with children and young people's mental health.

How will the course be taught?

The course is online, you will receive a login to our learning platform where you will find the interactive learning materials and the assessments. You will be given deadlines to complete and submit the work. You will receive detailed feedback on your work so that you can improve your skills as you progress through the qualification.

You will be assigned a Tutor, who will be in touch throughout the 12 weeks to discuss your progress and support you through the course.

You will need to put some time aside each week to complete the course within 12 weeks.

Could I gain a certificate?

This course is accredited by the awarding body NCFE CACHE. On successful completion of all elements of the course, you will receive a Level 2 certificate in Understanding Children and Young People's Mental Health.

What do I need to bring / have ready?

The course is delivered through our online platform, where you will be given the relevant learning materials and assessments for this qualification. However, you will need a laptop, PC or tablet and a stable internet connection.
