

Adult Learning - Course Information Sheet

XOA8XR00 - Maths Functional Skills - RYI

Course Aim

To develop your confidence and skills in all areas of maths.

Course Outcomes

- a) Understand and apply Maths in everyday situations.
- b) Recognise how to use a variety of methods to improve maths skills.
- c) Prepare for a Functional Skills qualification in Maths at the appropriate level.

How will the course be taught?

Functional Skills maths courses can be taught online via Google Classroom, or can be delivered face to face. This method of teaching will be made clear for each course when you come to book.

Could I gain a certificate?

You could gain a City and Guilds Functional Skills maths qualification at the level appropriate to your learning.

What do I need to bring / have ready?

You will need a laptop, PC or tablet and a stable internet connection. We recommend that you have paper, a pencil, a pen and a notepad during the session. You will need to provide photographic I.D to take the exam.
