

XOA8XR30 - Keeping Up with the Children - Maths

Course aim

Find out how children are taught in schools and support your child's developing maths skills.

Course Outcomes

Find out how children learn Maths in school.
Find out how to use everyday activities to help your children learn at home.
Increase confidence in your own Maths skills.
Enjoy learning in a friendly, confidence building group environment

How will the course be taught?

This course will be taught online with Google Classroom and Meet within a small group. Weekly sessions will include lots of practical elements and help you progress at your own level.

Could I gain a Certificate?

This course progresses onto two further terms, at the end of which you can gain a Functional Skills Maths certificate up to level 2

What do I need to bring \ have ready?

You will need a stable internet connection plus a gmail address and password. You may wish to bring your own pen and notepad.

Further support and progression

If you need help whilst on a course with us, our Learner Support Advisor is available to discuss your needs. We offer a range of services, subject to eligibility, which can include practical support and/or financial assistance to ensure you feel fully supported while learning with us. For more information contact alsreferrals@northnorthants.gov.uk or call 01604 368023 (answerphone available). Visit our website www.northamptonshire.gov.uk/course-info for further information about our fees and concessions. Your tutor will inform you of further learning opportunities and progression during your course.

Health and Safety / Online Safety

Your tutor will give you information about Health and Safety at the session. For information on how to keep safe online, go to https://safety.lovetoknow.com/Internet_Safety_Adult and <https://takefive-stopfraud.org.uk/> national awareness campaign. To report suspected scams, or for information on preventing scams, call the Citizens Advice on 03454 04 05 06.
