

## XOA8XR36 - Family Language

### Course Description

To find out more ways to support your child's English skills, focusing on reading activities.

### Course Outcomes

- a) To understand how to communicate with your child's school. (SLlr/E2.1 - Listen for and follow the gist of explanations, instructions and narratives in different contexts)
- b) To find out how to use everyday activities to help your child learn at home. (SLc/E2.2- Make requests and ask questions to obtain information in everyday contexts)
- c) To share information about how to help your child develop their English Language skills. (SLd/E2.1- Follow the gist of discussions.)
- d) To gain new skills, knowledge and confidence in a positive learning environment.

### How will the course be taught?

The course will be taught with lots of practical elements including group, paired and individual work.

### Could I gain a certificate?

You will gain an Adult Learning Service certificate for attending the course. If you are working towards a recognised qualification and you are successful then you will gain a certificate from the relevant awarding organisation.

### What do I need to bring?

You may wish to bring your own pen and notepad and a folder for handouts is useful.

### Health and Safety/ Online Safety

Your tutor will give you information about Health and Safety on the first day. For information on how to keep safe online go to [https://safety.lovetoknow.com/Internet\\_Safety\\_Adult](https://safety.lovetoknow.com/Internet_Safety_Adult) and <https://takefive-stopfraud.org.uk/> national awareness campaign. To report suspected scams, or get help and advice about preventing scams call the Citizens Advice consumer helpline on 03454 04 05 06.

### Further Support or Progression

Please let us know if you require additional personal support to participate in this course. This course is a good foundation for Family Language Module 2 which can lead to a City and Guilds Functional Skills English qualification, if appropriate. Information and advice on further learning and progression will be available during the course.
