

XOA8XR42 - Essential Digital Skills Future Courses

Essential Digital Skills

Essential Digital Skills courses are free courses that give you the opportunity to gain a qualification at entry 3 or level 1. You will be required to complete an initial assessment before the course to decide which level you will be working towards. The courses are designed to enable you to develop the digital skills you need for life, work or further study as set out in the national standards for Essential Digital Skills.

Courses take place remotely using Google Classroom and are delivered by specialist tutors.

Each course is delivered through one 2 hour session per week and typically lasts 22 weeks.

Course Aims

To develop your confidence in Essential Digital Skills and gain a certificate at the level appropriate to your learning.

Course Outcomes

- To learn how to use devices and handle information.
- To know how to create and edit documents.
- To know how to communicate and complete transactions.
- To be safe and responsible online.

How will the course be taught?

Essential digital skills courses can be taught online via Google Classroom.

What do I need to bring?

You will need a laptop, PC or tablet and a stable internet connection in order to take part in this course. We recommend that you have paper, a pencil, a pen and a notepad during the session.
