

XOA8XR52 - Food Allergens and Awareness

Food Allergens and Awareness Level 2

Food Allergens and Awareness courses will teach you the skills necessary to identify food allergens, including what an allergen is and which foods contain them. These courses are aimed at people who work in the catering industry where food is prepared and served or if a family member has allergens and you want to know more about them. They will also increase your employability skills if you are looking at a career in catering.

Each course is delivered through one 2 hour session per week and typically last 3 weeks.

Course Aims

To gain a Level 2 qualification in Food Allergens and Awareness.
To gain knowledge and skills necessary be able to identify food allergens.

Course Outcomes

To be able to explain what a food allergen is.
To know which foods contain allergens.
To be able to prepare food safely.

How will the course be taught?

Food Allergens and Awareness courses can be taught online via Google Classroom.
