

XOA8XR54 - Control of Substance Hazardous to Health

Control of Substance Hazardous to Health

During this course you will learn how to identify chemicals and hazardous substances and how to recognise strategies for controlling risks in the workplace. This course will teach you how to help reduce the risk of disease and danger from gases, dust, chemicals, fumes and biological agents and is aimed at people who work in areas where hazardous substances may be a risk such as factories and warehouses.

Each course is delivered through one 2 hour session per week and typically last 3 weeks.

Course Aims

To achieve a level 2 certificate in COSHH - Control of Substances Hazardous to Health.

To identify chemicals in the workplace and help reduce the risk of disease and danger from gases, dust, chemicals, fumes and biological agents.

Course Outcomes

To understand the risks of hazardous substances.

To recognise strategies for controlling risks in the workplace.

To build awareness of the legal framework for COSHH in the workplace.

To gain new skills, knowledge and confidence in a positive learning environment.

How will the course be taught?

COSHH courses can be taught online via Google Classroom.

What do I need to bring?

You will need a laptop, PC or tablet and a stable internet connection. We recommend that you have paper, a pencil, a pen and a notepad during the session.

Further support or progression

If you need help whilst on a course with us, our Learner Support Advisor is available to discuss your needs. We offer a range of services, subject to eligibility, which can include practical support and/or financial assistance to ensure you feel fully supported while learning with us. For more information contact alsreferrals@northamptonshire.gov.uk or call 01604 368023 (answerphone available). Visit our website www.northamptonshire.gov.uk/course-info for further information about our fees and concessions. Your tutor will inform you of further learning opportunities and progression during your course.

Health and Safety

Your tutor will give you information about Health and Safety on the first session. For information on how to keep safe online, go to https://safety.lovetoknow.com/Internet_Safety_Adult and <https://takefive-stopfraud.org.uk/> national awareness campaign. To report suspected scams, or for information on preventing scams, call the Citizens Advice on 03454 04 05 06.

Further Information

Please let us know if there is anything we can do to help and support you on this course, or if you need help to understand our fees or concessions. Further information can also be found here: www.northamptonshire.gov.uk/course-info
